

## **CO2712 Storyboard Tutorial**

### **Learning Objectives**

- Make sure that you are able to understand the marking criteria for the assignment
- Be able to critique a storyboard

### **Task**

#### **Part 1**

- Get into groups of 3-4  
Using the marking criteria for the assignment mark the two example storyboards below: page 2.
- Discuss with me

#### **Part 2**

- Based on the marking criteria what would you add to increase the grade. You do not need to say create in Photoshop for the first storyboard.
- Discuss with me

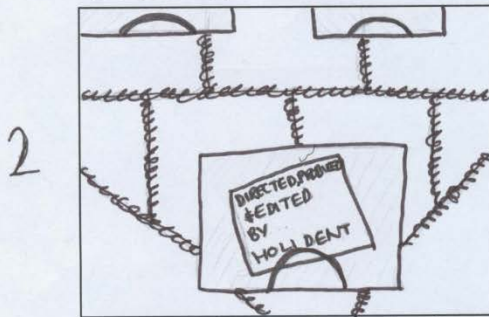

The first example of a storyboard is taken from  
<http://hollydent.wordpress.com/category/uncategorized/page/2/>

Close up shot

- Establishing shot.
- Photo of 'Sophie'
- Camera pans to the right across photos revealing credits: 'A CYBER production' and 'Starring Holi Dent...'
- Fade out.

Close up shot

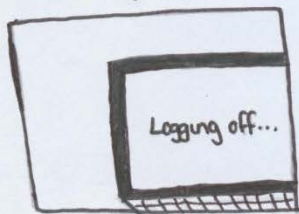

Camera stops on shot of Sophie with ex-boyfriend. Fade out.

- Change of shot.
- Camera tilts upwards from base of heart to show more photos and credits: 'Directed, Produced & Edited by Holi Dent' and 'Filmed, Edited and directed by Chelsea Haskins'

- Pt 1 of shot shows zoomed in picture of Sophie and Ex (close up shot).
- Pt 2. Zoom out of picture to reveal Sophie's hand and computer, talking to Charlie. Zoom in on conversation (msn) Fade out.

Fade out to shot of computer logging off in school. Close up shot.

Establishing Shot

Rule of thirds focus on sign to indicate surf conditions.

Sign will be placed down person run to left into sea.

Transition will be a straight cut to next scene with camera from behind.....

Panning shot from left to right to give a perspective of the size.
