

## Premiere Pro Tutorial Week 4

### Learning Outcomes

- Put into practice the techniques you have been learning over the last few weeks.
- Produce a short video from existing material.

### Task

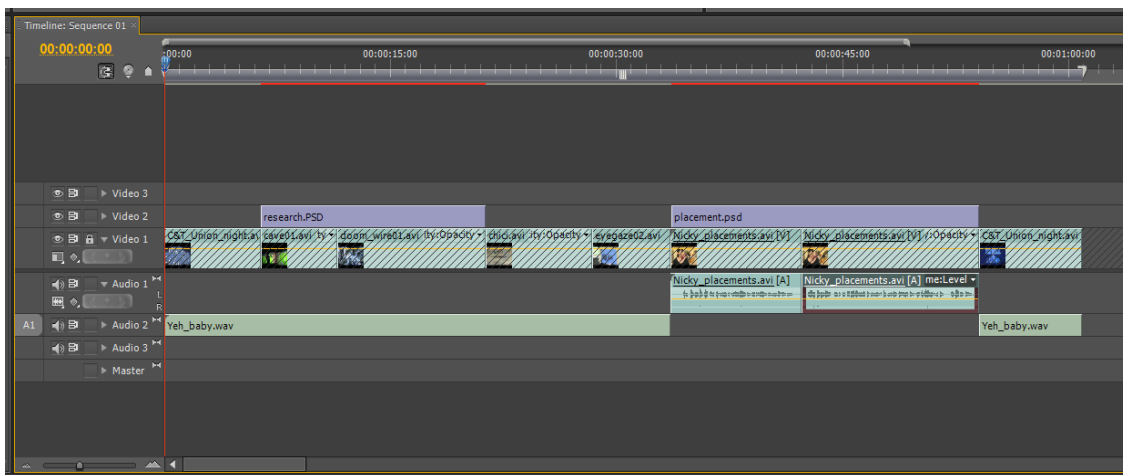

View the film entitled ceps on the W drive found in folder ceps\_Edit.

I created the titles in Photoshop and imported them in.

Using the following files (in the folder dvd footage avi) recreate the video.

File	In	Out	Comments
Cave01	2:00	7:00	Shot 2
Chici	11:00	18:00	Shot 4
Doom_wire01	3:00	12:21	Shot 3
Eyegaze02	6:24	12:03	Shot 5
Nicky_placements	0	8:17	Shot 6 Two clips are required from this video
Nicky_placements	11:21	23:14	Shot 7
C&T_union_night	8:09	14:19	Shot 1
C&T_union_night	1:35:08	1:42:02	Shot 8
Yeh_baby.wav	0	33:14	Found in the audio folder

Your Timeline should resemble below:

Note the music should span clips 1-5 and 8

Titles should span clips 2-3 (research) and clips 6-7 (placements).
